There Parish a direct role almost an evidence and open on for dock and the sag Habitan line flow roots, from content to present

Eight naval ambassudors of friendly por eca were ranged along the Portsmouth end, while gunboats and steamers with official spectators formed the remainder of the southern line.

The British ships were an imposing ight with their uniform decorations, con mack hulls with a line of red just above the water, white upper work and yellow emokestacks. All displayed the jack a the foremast and the white ensign at half must ut their sterns.

The foreign ships attracted most of the attention of the English speciators.

The giant of the whole flort was the Japanese battleship, Hatsuse, the largest war machine affect, a fortress of clay clored steel, with the scarlet sun on a while field hanging at her stern, the fighting emissem of the youngest world

Emperor William's navy was repre-Half a Million People Saw on by the Nymphe, Victoria Lutz, Hager and Haden, all with blue gray upper works. The Hagen was flying Prince Henry of Prussia's flag, yellow arms on a white field.

The Dupoy De Lome, under France's tri-color, was a fine sight. She is built with a prow-fronted long ram, high our by the craster Don Carlos. The ill for une of Spain's many asserted itself at the last moment, for word came that the Emperador Carlos V. had furned hack om her trip to the port with exippled
